

Dear Colleagues,

The Immigration Committee is interested in gathering information from attorneys who have Immigration Representation as a part of their practice.

As you know the field is vast: employment based vs. family based; removal defense practices; detained versus non-detained; specializations in victims of violence; criminal immigration cross-over, to name a few.

To gauge the depth and breadth of practice, the Immigration Committee has created a brief questionnaire.

Please take a moment to complete this questionnaire and email to the Bar Association at:

office@rocklandbar.org or FAX to 845-634-1055.

Thank you in advance for your time and consideration.

With best regards,

The Bar Association
