* An initial consultation fee of \$50 may not be charged for Social Security, Unemployment and Workers Compensation claim matters.

A panel attorney is not permitted to refer a matter referred by the Referral Service to any other attorney. Any referral that was not accepted by the panel attorney must be referred back to the Referral Service. Should a panel attorney need to retain outside counsel on a referred case, any fees generated by said outside counsel are to be calculated as part of the aggregate legal fees for that case and as such, are subject to the same financial arrangement as those of the LRS panel attorney. Additionally, attorneys retained as outside counsel must meet the requisite minimum criteria as set forth your LRS Application for an eligible panel attorney.

The first one-half hour consultation fee of \$50.00 paid by the referred client to the panel attorney, shall be forwarded to the Rockland County Bar Association, except for any matter where the fee is statutorily regulated.** The first \$500 of the aggregate fee received by an attorney on a referred matter shall be retained by the panel attorney and the panel attorney is to remit to the Referral Service 10% of the excess over \$500 of the aggregate fee received on the matter.

A Referral Confirmation Report will be forwarded, from the Referral Service to the panel attorney, by the following business day after the referral is made. The panel attorney will complete and return the report as soon as practicable, however, not more than thirty (30) days after receipt, but not before seven (7) days after receipt. If there is not reply within the specified time, the staff will request once, by writing, the status of the specific open case(s).

Once the Referral Service is notified that the panel attorney has been retained for further legal services, the panel attorney must continue to keep the Referral Service advised of the status of the case, timely respond to all inquiries and remit to the Referral Service the fee(s) due from any fee(s) collected.
